### Sponsorship Opportunities

The Seattle Security Traders Association (SSTA) along with the Security Traders Association of Portland (STAP) proudly invite you to our 76th annual convention. This premiere event draws a significant number of members from the trading community locally and across the nation with a high attendance of buy side firms

This event could not be made possible without the great support that we receive from firms like yours. Don't miss this once in a year opportunity for your firm to be promoted in the Pacific Northwest. Further details at [www.pnwsta.org](http://www.pnwsta.org)
